# Camilla Furuknappen Larsen

A frontend development student with a background in early childhood education, bringing a human-centered approach to every project. Passionate about clean design, intuitive UX, and writing code that works for everyone.

## Work Experience

December  
2024 - June  
2025

### One-year fixed-term contract as a Kindergarten Teacher

Responsible for planning and leading daily activities. Developed strong communication skills through close collaboration with parents, colleagues and children every day.

September  
2023 - May  
2024

### Half a year fixed-term contract as a Kindergarten Teacher

Stepped into a mid-year position and quickly adapted to an established team and routine. Skilled at adapting communication and content to suit diverse users and needs.

## Education

August 2025 -  
May 2027

### Two-year programme in Front End Development

Two-year programme covering HTML, CSS, JavaScript, and modern frontend development practices with a focus on accessibility, responsiveness, and intuitive design.

August 2022 -  
June 2023

### One-year programme in Spanish

Completed a one-year programme formalising seven years of Spanish language studies. Demonstrates long-term commitment, self-discipline and the ability to see a goal through.

August 2019 -  
June 2022

### Bachelor's Degree in Early Childhood Education and Care

Gained knowledge in teaching different subjects to different people. Experienced in planning, organizing and customising tasks according to individual needs and abilities.
